Policy Name: Freedom of Expression Policy
Policy Owner: General Counsel
Responsible University Office: Office of General Counsel
Effective Date: July 23, 2018
Revisions: None
Policy Number: TBD
BOR Related Policy: 6.5 Freedom of Expression

A. Purpose and Overview of Policy

Columbus State University (“CSU”) supports and respects rights embodied in the First Amendment, including the right of freedom of speech, freedom of expression, the free exercise of religion, and the right to peaceably assemble. In accordance with Board of Regents Policy 6.5 Freedom of Expression, CSU agrees that these rights are of the utmost importance and must be protected. CSU also recognizes its responsibility to provide a secure learning environment that allows individuals enrolled at or employed by the University (“members of the CSU community”), as well as non-CSU community members, to express their views in ways that do not disrupt the operation of the University. This policy presumes that students are generally free to engage in freedom of expression activities in those outdoor areas of campus that are common and accessible to all students (such as park-like areas and sidewalks) so long as such expression does not disrupt the functioning of the University or classroom instruction.

As a public institution of higher education, CSU supports the exchange of open ideas and academic freedom on its campus. This policy has been enacted to promote campus safety, to ensure the proper functioning of the academic environment and institution activities, and to protect individual rights. In no way is this policy intended to place an undue burden on members of the CSU community to freely express themselves. Time, place, and manner restrictions imposed by the University shall be content neutral for all individuals and leave open an alternative means of expression for members of the CSU community.

B. Designation of Public Forums on CSU’s Campus

Public Forum Areas: Students are generally free to engage in freedom of expression activities in those outdoor areas of campus that are common and accessible to all students (such as park-like areas and sidewalks) when use of such areas does not interfere with the other functions, missions, and activities of the University. However, to accommodate the need for immediate and spontaneous demonstration and to better facilitate the free exchange of ideas, CSU has designated certain areas
on campus as public forums on CSU’s campuses (“Public Forums”) (See Attachment A for a list of these Public Forum areas and the maximum number of people it can accommodate).

Availability of Public Forum Areas: These Public Forum Areas are generally available from 9:00 a.m. to 7:30 p.m. Monday through Friday, provided that the Public Forums have not previously been reserved. Reservations will only be processed on days that CSU’s Administrative Offices are open for business (“university business days”).

Recommended Submission of Reservation Request: Though reservations to use the Public Forum Areas are only required as set forth in Section C and Section D below, CSU recommends that all parties interested in utilizing the Public Forum Areas submit a completed Forum Reservation Request Form to CSU’s Office of Student Life and Development in the Division of Student Affairs prior to use so that CSU may minimize scheduling conflicts, accommodate all interested users, and provide adequate security for the speaker and the audience.

C. Provisions for Members of the CSU Community

I. Planned Large Group Expression

Mandatory Submission of Reservation Request: Members of the CSU community who plan to engage in expressive activity on campus in a group that is expected to consist of thirty (30) or more persons must submit a Reservation Request via the Astra Schedule Portal on CSU’s webpage at least two (2) university business days prior to the scheduled activity and must receive approval in writing prior to engaging in such activity. Prior notice is required to ensure that there is sufficient space for the large group event, that necessary University resources are available for crowd control and security, and that the academic and other operations of the University are not disrupted.

Response to Reservation Request: The University may grant a reservation for one of the Public Forum Areas or another available area of campus, as requested by the applicant, and may only deny a reservation for the limited reasons set forth in Section E below. The reservation request must be processed and the requesting party must be notified within one (1) university business day after its submission.

Appeal of Denial of Reservation Request: The denial of a Reservation Request by a member of the CSU community may be appealed to CSU’s Vice President Student Affairs in writing setting forth the reasons why the appeal should be granted. CSU’s Vice President for Student Affairs, or his or her designee, must respond to the appeal in writing within one (1) university business day.

II. Spontaneous Large Group Expression

If an individual or small group of individuals within the CSU community, while engaging in spontaneous expression, attracts a group of 30 or more persons, then a representative from the group should provide the University with as much notice as circumstances reasonably permit. CSU reserves the right to direct a group of 30 or more persons to one of the Public Forum Areas or another
available area of campus in order to ensure the safety of campus members, to provide for proper crowd control, and to limit disruption of the academic and other operations of the University. The CSU official must not consider or impose restrictions based on the content or viewpoint of the expression when relocating any expression.

D. Provisions for Non-Campus Members

Mandatory Submission of Reservation Request: Individuals or groups of people who are not enrolled at or employed by CSU may only engage in expressive activity on CSU’s properties in the Public Forum Areas and only after submitting a completed Forum Reservation Request Form via the Astra Schedule Portal on CSU’s webpage at least two (2) university business days prior to the scheduled speech and obtaining approval for such use in writing pursuant to the procedures set forth in Section E below. Organizers are encouraged to submit their requests as early in the planning stages of the event as possible.

Response to Reservation Request: The reservation request must be processed and the requesting party must be notified within one (1) university business day after its submission.

Appeal of Denial of Reservation Request: Any denial may be appealed to CSU’s Vice President for Student Affairs in writing setting forth the reasons why the appeal should be granted. CSU’s Vice President of Student Affairs or his or her designee must respond to the appeal in writing within one (1) university business day.

E. Procedures for Forum Reservation Requests

Completed Forum Reservation Request Forms should be submitted via the Astra Schedule Portal on CSU’s webpage. Any written materials that will be distributed in connection with the expression must be included with the request at least two (2) university business days prior to the distribution of the written materials. University officials may not deny any request to distribute written materials based on the content or viewpoint of the expression. However, no publicity for a speaker or program may be released prior to authorization of the Reservation Request Form.

Response to Reservation Request: Reservation scheduling will be coordinated by Campus Services and CSU’s Office of Student Life and Development, who will schedule forums for expression on a first-come, first-served basis. University officials must respond to all requests in writing as soon as practicable, but in no event more than one (1) university business day following receipt of the request, either authorizing the reservation and noting any special instructions, if applicable, or setting forth the reason for denial of the reservation.

Denial of Reservation Request: The Student Affairs official may only deny a reservation request for one of the following reasons:

(1) The Forum Reservation Request Form is not fully completed;
(2) The Forum Reservation Request Form contains a material falsehood or misrepresentation;

(3) The Public Forum Areas have been reserved by persons who previously submitted a completed Forum Reservation Request Form(s), in which case the University must provide a reservation for the applicant at an alternate location, alternate date, or alternate time;

(4) The use or activity intended by the applicant would conflict with or disturb previously planned programs organized and conducted by the University;

(5) The Public Forum Areas are not large enough to accommodate the expected or actual number of persons engaging in large group expression, in which case the University must provide a reservation for the applicant at an alternate location that can safely accommodate the applicant provided that the applicant is a member of the CSU community and that such a location exists on CSU’s campus;

(6) The use or activity intended by the applicant would present a danger to the health or safety of the applicant, other members of the CSU community, or the public; or

(7) The use or activity intended by the applicant is prohibited by law or CSU policy.

When assessing a reservation request, University officials must not consider or impose restrictions based on the content or viewpoint of the expression.

Appeals: Appeals related to the decision of the Student Affairs official should be made in writing to CSU’s Vice President for and Student Affairs. CSU’s Vice President for Student Affairs or his or her designee must decide all appeals within one (1) university business day. The decision of CSU’s Vice President for Student Affairs or his or her designee is final. All campus reservations are subject to the general provisions in Section G. below.

F. Distribution of Written Material

Members of the CSU community may distribute non-commercial pamphlets, handbills, circulars, newspapers, magazines, and other written materials on a person-to-person basis in open outdoor areas of the campus. An individual who is not a member of the CSU community may only distribute written materials within the Public Forum Areas and only during the time in which the individual has reserved Public Forum Area. Unauthorized use of the University’s trademark on any written material is strictly prohibited.

The policy, Distribution of Advertising Material, Propaganda, and the Like, which may be found in the Student Responsibilities and Rights Section of CSU Student Handbook, covers the distribution of commercial materials and publications.
G. General Provisions

In addition to the requirements set forth above, all individuals expressing themselves on CSU’s campus must comply with the following provisions:

- No interference with the free flow of vehicular or pedestrian traffic within and/or under the control of the CSU campus or the ingress and egress to buildings on campus is permitted.

- Any use of amplified sound, other than amplified sound used in connection with University-sponsored events, must only be intended to be heard in the immediate area of the expression in order to minimize any disruption of the central academic mission of the University. Use of amplified sound by student organizations must be approved by the Office of Student Life and Development.

- No interruption of the orderly conduct of university classes or other university activities, including university ceremonies and events, is permitted.

- No commercial solicitations, campus sales, or fundraising activities shall be undertaken which are not authorized by CSU. For CSU’s policies on solicitation and fundraising, refer to CSU Handbook.

- The individual who makes the reservation shall be responsible for seeing that the area is left clean and in good repair. If not accomplished, persons, or organizations responsible for the event may be held financially responsible for cleanup costs.

- The individual/organization using the area must supply their own tables, chairs, etc., if needed (unless already part of the location).

- Individuals who are not members of the CSU campus community may not camp or erect temporary structures (e.g. tents) on CSU’s campus.

- Damage or destruction of property owned or operated by the University, or property belonging to students, faculty, staff, or guests of the University is prohibited. Persons or organizations causing such damage may be held financially and/or criminally responsible.

- Individuals and groups of individuals expressing themselves on CSU’s campus must comply with all applicable federal, state, and local laws and CSU policies, rules, and regulations.

Authorization of a speech, event, or demonstration is contingent upon compliance with the criteria listed above. Speakers and/or organizations failing to comply with the above policy may be asked to
leave, a trespass warning may be issued, and/or University disciplinary action or judicial action may be pursued.
