

Employee Assistance Program

Summary

The university's policies on services available for employee counseling.

Purpose

To provide guidance to employees on counseling support available through the Pastoral Institute.

Procedure

Columbus State University has contracted with The Pastoral Institute to offer individual and/or family counseling, workshops and group support to our benefits-eligible employees. These services are free (limit of 6 sessions or workshops per individual or 12 for family) and confidential. Workshop schedules and informational pamphlets are available in the Human Resources Department.
