

Physical Accommodations

Summary

Students, Faculty or staff should report any inaccessible areas on campus to the Center for Accommodation and Access.

Purpose

This document explains the responsibility of the Center for Accommodation and Access, as it pertains to physical accommodations on campus.

Policy

Columbus State University, in conjunction with campus Plant Operations, works to comply with the ADA Accessibility Guidelines (ADAAG). Students, Faculty or staff should report any inaccessible areas on campus to the Center for Accommodation and Access. The Center for Accommodation and Access will forward the complaint to the Director of Plant Operations.
